PROFESSIONAL PROFILE

– Aspiring Software Developer with hands-on experience in web and mobile application development, specializing in JavaScript and React to create user-focused, scalable solutions.
– Skilled in debugging, troubleshooting, and improving code quality, with a proven ability to collaborate within cross-functional teams to deliver high-quality results under tight deadlines.
– Committed to continuous learning and adapting to evolving technologies, with a passion for writing efficient, maintainable code and solving real-world problems.
– Effective communicator with strong problem-solving abilities, dedicated to fostering teamwork and innovation to drive project success.

EDUCATION

Software Development Diploma   Jan 2024 - Present
Southern Alberta Institute of Technology (SAIT), Calgary AB
– GPA: 3.89/4.0
– Academic Achievement: 2024-2025 Jason Lang Scholarship
– Relevant Course: Web Development, Object-Oriented Programming, Software Analysis and Design

RELATED EXPERIENCE

Weather Lens   Nov 2024 - Dec 2024
SAIT, Web Development2 Course Project
– Designed and developed a responsive web application providing real-time weather updates for 200,000+ cities using JavaScript, Next.js, RESTful APIs, and Tailwind CSS.
– Implemented robust error-handling mechanisms to ensure accurate data and seamless user experiences.
– Managed GitHub-based version control, executing five iterations to maintain code quality and track progress.

CampusCare   Nov 2024 - Dec 2024
SAIT, Mobile application Course Project
– Developed core features of a mobile app for students to log campus cleanliness requests and for maintenance departments to view and manage requests using JavaScript, React Native, and mockAPI.
– Resolved form data-saving issues to mockAPI by researching and implementing solutions in under 6 hours, ensuring successful feature implementation.
– Collaborated with a cross-functional team using React Native and Expo to build an intuitive interface and ensure smooth real-time updates via Axios API calls.

WORK EXPERIENCE

Cashier   Dec 2024 - Present
Sportech Indoor Golf, Calgary AB
– Delivered exceptional customer service by understanding and addressing client needs, ensuring high satisfaction.
– Managed operational setups and calculations accurately, contributing to seamless day-to-day operations.

CERTIFICATION

The Complete 2024 Web Development Bootcamp - Udemy   May 2024 - Present
